

Go Fleet Registration 2012

Again this year registration is simple. It can be done by filling out this form and e-mailing to me. You can also send an email containing the information on this form. No texting I need something printable. I will also accept printed forms on the water front or they can be snail mailed to me. No money will be collected by me. No it is not free, the club will bill you the \$25 dues. Also GO Fleet does not get your money from the club if you are in arrears in the fall when I get the check. Remember to qualify for an award at the end of the year, your dues must be paid and you must sail on 50% of the nights sailed.
